OF THE  
INTERNATIONAL FACILITY MANAGEMENT ASSOCIATION**

**MEDAL SPONSORSHIP PROGRAM**

## **IFMA-San Antonio Medal Sponsorship Program**

### **Introduction**

The San Antonio Chapter of the International Facility Management Association (IFMA) is comprised of facility management professionals and representatives of complementary industries and professions in the South Texas area. Our mission is to provide maximum opportunities for career development and the sharing of resources and experience, as well as the opportunity to develop relationships with all of our members. The San Antonio Chapter offers as many as ten programs and tours each year focused on education for the facility management professional, and is equally ambitious with our programs to support the community.

The chapter developed a sponsorship program that offers special opportunities for recognition of supporters by providing ways to spotlight your business. This guide outlines various levels of sponsorships at the annual scholarship fundraiser, our annual golf tournament, and awards events.

We have developed several levels to ensure your return on investment is significant.

Your generous support of the San Antonio Chapter IFMA and the community initiatives that we support is appreciated.
